

Bold Lead Designs
Shipping & Order Processing Assistant

Position Summary:

Assistant wanted for local pet product manufacturer. Seeking a capable individual to pack, ship, and assist with a variety of workshop tasks in a challenging and fast-paced yet laid back environment. Full-Time position requires a commitment to service, excellent communication, an excellent memory, technical proficiency, attention to detail and a proactive, cheerful disposition. Customer service skills are a plus.

Work for a rapidly growing artisan company in a small workshop facility with a small, fun, diverse team. Must love dogs and enjoy working with people.

Advancement opportunities for proven performance. Flexible weekday, daytime hours. Starting pay \$10-11/hr. Career changes welcome! Permanent employees enjoy healthcare options, company 401K, and paid time off.

Key Responsibilities:

- **Order Processing:** Accurate and organized processing and entering of customer orders from various sources, including company website, Amazon, phone, and in person.
- **Quality Assurance:** Inspection of final product to specification, assure details and quality of handcrafted product.
- **Picking, Packing & Shipping:** Pick products for customer orders. Pack and label for clients worldwide.
- **Communication:** Provide articulate and courteous responses to customers via email or phone as needed.
- Perform miscellaneous tasks including cleaning, preparing materials, packaging and light assembly.
- Provide support for daily operations and other tasks or errands as needed.

Job Requirements, Skills & Qualifications:

- Demonstrate excellent work ethic, ambition for continuous improvement, and dedication to the company mission
- Proficiency with Microsoft Office is a must. Familiarity with QuickBooks, shipping and labeling, and ability to troubleshoot technology is an advantage
- Must be organized, thoughtful, and highly detail oriented
- Have practical mathematics and measuring skills
- Read and interpret job orders, measure accurately, calculate dimensions, and organize parts
- Willingness and ability to learn and quickly absorb a large amount of information and adapt to continuous changes
- Ability to work independently and collaboratively on projects
- Be a positive representative of the company's brand

Physical Conditions/requirements:

- Skilled with hands, high dexterity
- Ability to lift and move 30 pounds
- Able to stand at workbenches and reach materials stored at high and low positions
- Comfort in a small workshop environment with limited staff, large breed dogs, and people with disabilities
- Background check will be performed

(continued)

The following experience is helpful, but not required:

- Production, assembly, inventory, packing/shipping experience
- Experience with diverse groups and/or people with disabilities preferred
- Superior customer relations skills, genuine interest in helping people find solutions
