

Bold Lead Designs, LLC Warranty/Repair Form

Have a warranty issue? Need a repair or replacement?

Please contact us directly and let us know what the issue is so we can find the best solution for you (repair or replacement as deemed necessary). Pictures are always helpful. In most cases we will have you send the item to us, with this completed form. If the product sustained damage under normal use, and is covered under warranty, we will make it right at no charge (just pay for shipping). All warranty and repair service request must be accompanied by this form and cannot be processed without the necessary documentation. Customer is responsible for all related shipping costs.

If your BLD leather, Brahma, training equipment, or harness ever breaks or is damaged from regular use, simply contact Bold Lead Designs for a replacement or repair at no charge. There is no time limit. This is the best warranty in the industry! Warranty is limited to replacement or repair of covered product only, and does not cover chewing, neglect, misuse, normal wear, or customer alterations. Bold Lead Designs reserves the right to determine if a repair or replacement is covered by our warranty. Items that we don't make in our workshop, like accessories and consumable items, are excluded. Note: Any item sold as used or imperfect or marked with a star is excluded from any warranty or guarantee.

Limitation of Damages: Bold Lead Designs, LLC, or its associates, cannot be responsible for any claims or liabilities beyond the scope of guarantee. No other warranties, expressed or implied, are made. User assumes all responsibility for proper and safe use of product and care of animal. Customer pays for shipping for warranty claims. Allow 5-7 business days for most repairs. For harness and harness parts please allow 7-10 business days.

You can reach us at: 303-856-3012 or orders@boldleaddesigns.com

Non-warranty repairs and alterations may be available, even for chewing, costs start at \$5 plus shipping. We will provide an accurate quote upon assessing the damage.
