Let's you leash your pup eight different ways!

## FOR PETS

**1** A Martha Stewart American Made Awards 2014 competition finalist, Aurora-based **Bold Lead Designs' 8-Way lead** is made with hand-cut leather and not a single stitch, so there's nothing for Fido to snap if he gets excited about a squirrel. \$56.99; [boldlead-designs.com](http://boldlead-designs.com)

**2** For the Peyton Manning fan with four legs: Colorado Springs' **MeekByDesign's dog sweater** in orange and blue. \$48; [etsy.com/shop/meekbydesign](http://etsy.com/shop/meekbydesign)

**3** We're almost tempted to steal a few of Englewood's **Pawsitively Gourmet's ugly sweater cookies** for dogs—made with whole-wheat flour, sweet potato, and a carob and yogurt coating—for ourselves. \$2.10 each; [pawsitivelygourmet.com](http://pawsitivelygourmet.com)

**4** **Mountainsmith's K9 dog pack's** adjustable harness and padded chest mean you won't feel too bad about asking your pooch to carry his own water on a hike. His reward: a snooze on his cushy **K9 bed**. \$64.95 and \$60, respectively; REI, 1416 Platte St., 303-756-3100, [rei.com](http://rei.com) and [mountainsmith.com](http://mountainsmith.com)

**5** Give your kitty something to snuggle when you're not around with Golden-based **Kong's Softies lamb** for cats. From \$5.99; PetSmart, multiple locations, [petsmart.com](http://petsmart.com) and [kongcompany.com](http://kongcompany.com)
